

Lease Terms can be shortened by request

Your lease will be automatically created for the listed term unless you request a shorter term when your application is approved. The pricing is determined based on the month the lease is signed. Please use the list below to determine the additional cost of the shorter term lease.

February-July

- **12 month lease** Listed Price
- **6 month lease** \$50 additional for apartment; \$200 additional for house
- **Month to Month** \$100 additional for apartment; \$300 additional for house

August-January
